City Council Regular Meeting Minutes
July 8, 2024

CALL TO ORDER/PLEDGE OF ALLEGIANCE/ROLL CALL: Mayor Pexton called the meeting to order at approximately 4:00 p.m. Roll call was taken with the following City Council members present: Mayor Kim Pexton; Councilperson Ron McNare; Councilperson Perry Hershberger; Councilperson Matt Schmidt; and Councilperson John Bartling. Mayor Pexton led the assembly in the Pledge of Allegiance.

Also present: JD Cox, City Manager; Mike Armstrong, City Attorney; Clara Chaffin, Community Development Director; Todd Matthews, Lieutenant; John Harbarger, Public Works Director; Mary Nicol, Administrative Services Director/Treasurer; Kendal Detwiler, Human Resources Director; and Josh Oberlander, Supervisor.

Disclosures by City Council Members: Councilperson Schmidt declared a conflict of interest with item 7e, Warrant register: Matt Schmidt, June 2024. Councilperson McNare declared a conflict of interest with item 7d, Warrant register: K & R Construction, LLC, June 2024.

General Agenda (Corrections/Additions): Councilperson Hershberger moved to approve the general agenda as presented. Councilperson McNare seconded. Motion carried 5-0.

Public Comments: Steve Gregerson addressed the council regarding the bike park. Rod Lebert of the Forrest Service addressed council regarding preservation of wildlife.

Discussion Items: Cedar Street: 4th to Hwy 52: Speed Limit. Fireworks. Mountain West Technologies Memorandum of Understanding.

Consent Docket: Minutes: City Council Meeting: June 24, 2024; **Warrant Register:** June 2024; **Change Order:** Amundsen Associates. Councilperson Hershberger requested to move the Change Order: Amundsen Associates to Council Action Items. Councilperson Schmidt moved to approve the Consent Docket as modified. Councilperson Bartling seconded. Motion carried 5-0.

Council Action Items:

Ordinance 1043: An Ordinance Amending Section 10.92.070(a) and 10.52.040 Pertaining to the Parking of Trucks. Lieutenant Matthews provided an overview. Following discussion, Councilperson Bartling moved to approve Ordinance 1043 on its first reading. Councilperson Schmidt seconded. Motion carried 5-0.

Water Wise City: Declaration and Implementation

Resolution 2024-24: A Resolution Establishing the City of Douglas to be a “Water Wise City”. Supervisor Oberlander gave an overview. Following discussion, Councilperson Bartling moved to approve Resolution 2024-24 as presented. Councilperson McNare seconded. Motion carried 5-0.

Resolution 2024-25: A Resolution Establishing “Water Wise City” Conservation Measures for the City of Douglas. Supervisor Oberlander provided an overview. Councilperson McNare moved to approve resolution 2024-25 as presented. Councilperson Schmidt seconded. Motion carried 3-2.

Resolution 2024-26: A Resolution Setting a “Water Wise City” Tiered Rate Structure for the City of Douglas. Supervisor Oberlander provided an overview. Discussion. Councilperson McNare moved to approve Resolution 2024-26 as presented. Councilperson Bartling seconded. Motion carried 5-0.

Project 1200: Downtown Infrastructure Improvement Project. City Manager Cox provided an overview. Discussion. Councilperson Bartling moved to accept the submitted conceptual design of the Downtown Infrastructure Project and approve moving forward with formal design and furthermore authorize the City Manager to sign all associated documents. Councilperson McNare seconded. Motion carried 3-2.

Warrant Register: K & R Construction, LLC: June 2024. Director Nicol provided an overview. Councilperson Hershberger moved to approve the warrant register for K&R Construction, LLC as presented. Councilperson Schmidt seconded. Motion carried 4-0, with Councilperson McNare abstaining.

Warrant Register: Matt Schmidt: June 2024. Director Nicol provided an overview. Councilperson Bartling moved to approve the warrant register for Matt Schmidt as presented. Councilperson Hershberger seconded. Motion carried 4-0, with Councilperson Schmidt abstaining.

Change Order: Amundsen Associates. City Manager Cox provided an update and answered questions from Council. Councilperson Bartling moved to ratify the Change Order. Councilperson Hershberger seconded. Motion carried 5-0.

Public Comments: None.

Council Information:

Converse County Tourism Promotion Board Minutes: May 21, 2024. **Department Reports:** Community Development, Police Department, Public Works Department.

City Manager’s Report:

City Manager Cox provided an update on multiple recent and current items.

Good People Doing Good Things:

The community was recognized for the benefit held at LaBonte, the money donated at SIPS for the family involved in the incident, and the benefit for the same family at the Legion on Saturday. Councilperson Bartling recognized Josh Butts & The Arts & Culture Board for the work on the mural.

Executive Session:

Councilperson Hershberger moved that the council adjourn into executive session for the purpose of considering the appointment, employment, right to practice dismissal, complaints or charges against a public officer, professional person, or employee in accordance with W.S. 16-4-405(a)(ii). Councilperson Schmidt seconded. Motion carried 5-0.

Adjourn:

Meeting adjourned to executive session at approximately 6:26 pm.

Kim Pexton, Mayor

ATTEST:

Mary Nicol, City Clerk

ORDINANCE NO. 1044

AN ORDINANCE AMENDING SECTIONS 16.5.7.1(N)(ii)(c), 16.5.7.1(N)(vi)(g), AND 16.5.7.1(N)(viii)
PERTAINING TO FLOODPLAIN CONSTRUCTION STANDARDS

WHEREAS, the City of Douglas (City) Council finds and determines that the following changes and clarifications need to be made in regard to the City of Douglas Municipal Code; and

WHEREAS, consideration has been given to ensure fairness to all City of Douglas residents and make new regulations reasonable.

BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF DOUGLAS, WYOMING:

Section 1. Section 16.5.7.1(N)(ii)(c) of the Douglas Municipal Code is hereby amended to read as follows:

16.5.7.1 Floodplains

N. Construction Standards

ii. Construction Materials and Methods

- c. All new construction and substantial improvements shall be constructed with all equipment, including but not limited to, electrical, heating, ventilation, plumbing and air conditioning equipment and other service facilities that are designed and/or located so as to prevent water from entering or accumulating within the components during conditions of flooding, or shall be floodproofed when required by other parts of this chapter, and shall be a minimum of twelve (12) inches above base flood elevation (“freeboard”).

Section 1. Section 16.5.7.1(N)(vi)(g) of the Douglas Municipal Code is hereby amended to read as follows:

16.5.7.1 Floodplains

N. Construction Standards

vi. Residential Construction

- g. Be constructed with all equipment, including but not limited to, electrical heating, ventilation, plumbing, and air conditioning equipment and other service facilities designed and/or located to prevent water from entering or accumulating within the components during conditions of flooding and shall be a minimum of twelve (12) inches above base flood elevation (“freeboard”);

Section 1. Section 16.5.7.1(N)(viii) of the Douglas Municipal Code is hereby amended to read as follows:

16.5.7.1 Floodplains

N. Construction Standards

viii. Standards for Manufactured Homes

Any request to locate, place, or otherwise establish a manufactured home on a lot or parcel shall meet the following criteria:

- a. All manufactured homes to be placed or those to be substantially improved shall be elevated on a permanent foundation such that the lowest floor of the manufactured home (including basement or crawlspace) and all equipment, including but not limited to, electrical heating, ventilation, plumbing, and air conditioning equipment and other service facilities designed and/or located to prevent water from entering or accumulating within the components during conditions of flood shall be a minimum of twelve (12) inches above the base flood elevation (freeboard) and is securely anchored to an adequately anchored foundation system to resist floatation, collapse, and lateral movement.
- b. Manufactured homes located in areas designated in this Code as mobile home park zones (MH-2), or that have been grandfathered to allow manufactured (mobile) home use, shall be elevated so that the bottom of the structural frame or the lowest point of the manufactured home and all equipment, including but not limited to, electrical heating, ventilation, plumbing, and air conditioning equipment and other service facilities designed and/or located to prevent water from entering or accumulating within the components during conditions of flood shall will be a minimum of twelve (12) inches above base flood elevation (freeboard), or at least three (3) feet above highest

adjacent grade when no base flood elevation is available, and be securely anchored to resist flotation, collapse, and lateral movement. Methods of anchoring may include, but are not limited to, reinforced piers or other foundation elements of at least equivalent strength, over-the-top or frame ties to ground anchors. (See FEMA publication "Manufactured Home Installation In Flood Hazard Areas.") This requirement is in addition to applicable state and local anchoring requirements for resisting wind forces.

BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF DOUGLAS, WYOMING:

PASSED AND APPROVED ON FIRST READING this _____ day of _____, 2024.

PASSED AND APPROVED ON SECOND READING this _____ day of _____, 2024.

PASSED, APPROVED AND ADOPTED ON THIRD AND FINAL READING this _____ day of _____, 2024.

Kim Pexton, Mayor

Attest:

Mary Nicol, City Clerk

Published: _____

ATTESTATION

I, Mary Nicol, the Clerk of the City of Douglas, Wyoming, do hereby attest and state that the above ordinance was published/posted in the manner required by law and that all procedures required by Wyoming State law were complied with.

Mary Nicol, City Clerk

Item

Ordinance 1044 Floodplain Development Standards

Responsible Staff Contact

Clara Chaffin

Recommendation

Approve Ordinance 1044 on first reading.

Executive Summary

The City of Douglas participates in FEMA's National Flood Insurance Program (NFIP) and has held a Class 8 in the Community Rating System (CRS) for over a decade. A Class 8 rating provides a 10% premium reduction on mandatory flood insurance for individuals within the City limits. Every year, the City is evaluated on a number of Activities from the CRS Coordinators Manual verifying that the City is continuing to perform activities to meet NFIP. Every 5 years, the City undergoes a more strenuous CRS Cycle Visit where a CRS Coordinator takes a deep dive into the work that the City does and measures it against the latest CRS Coordinators Manual.

This year, the City submitted over 100 documents on four different Activities (see Background). Of over 100 documents submitted, only 5 required resubmittals.

The latest CRS Coordinators Manual (2017 Edition with 2021 Addendum) was edited to require adopted municipal codes to specifically state that all equipment be a minimum of 12-inches above the Base Flood Elevation. Ordinance 1044 makes this edit in three sections including Construction Materials and Methods, Residential Construction and Standards for Manufacturing Housing.

Approval of this Ordinance is necessary to qualify for Activity 430 Higher Regulator Standards FRB Freeboard.

Background

The **Community Rating System** (CRS) is a voluntary incentive program that recognizes and encourages community floodplain management practices that exceed the minimum requirements of the National Flood Insurance Program (NFIP). Over 1,500 communities participate nationwide.

In CRS communities, flood insurance premium rates are discounted to reflect the reduced flood risk resulting from the community's efforts that address the three goals of the program:

1. Reduce and avoid flood damage to insurable property.
2. Strengthen and support the insurance aspects of the National Flood Insurance Program.
3. Foster comprehensive floodplain management.

Discounts on Flood Insurance Premiums for CRS Communities: Flood insurance premium discounts in CRS communities range from 5% to 45% and are discounted in increments of 5%. A Class 10

community is not participating in the CRS and receives no discount. A Class 9 community receives a 5% discount for all policies, a Class 8 community receives a 10% discount, and so on 5% incrementally all the way to a Class 1 community, which receives a 45% premium discount.

Classifications are based on the community's CRS credit points obtained in 19 creditable activities. The CRS activities are organized in four categories:

1. Public Information
2. Mapping and Regulations
3. Flood Damage Reduction
4. Warning and Response

Under the National Flood Insurance Program's pricing approach, the CRS discount is applied to the full-risk premium for all NFIP policies in the Regular Program in a participating community, including policies outside of the Special Flood Hazard Area (SFHA).

The table below shows the credit points earned, classification awarded and premium reductions.

CRS Credit Points, Classes and Premium Discounts

CRS Credit Points	CRS Class	CRS Discount (Premium Reduction)
4,500+	1	45%
4,000 – 4,499	2	40%
3,500 – 3,999	3	35%
3,000 – 3,499	4	30%
2,500 – 2,999	5	25%
2,000 – 2,499	6	20%
1,500 – 1,999	7	15%
1,000 – 1,499	8	10%
500 – 999	9	5%
0 – 499	10	0

2014 Master Plan

Goal B4. Plan for and mitigate natural hazards.

Policy B4-1. Minimize public and private losses due to flood conditions through zoning, building codes, and other regulations and floodplain management strategies. The flood hazard areas of the community are subject to periodic inundation, which can result in loss of life and property, health and safety hazards, disruption of commerce and governmental services.

Policy B4-2. Regulate areas subject to natural hazards, such as flood zones, according to City, State, and Federal law. The City will administer and enforce flood plain regulations under the direction of the Federal Emergency Management Association.

Policy B4-3. Continue to make every effort to provide adequate and interlocking floodway and greenspace corridors through the utilization of utility easements, topographical elements and zoning regulations.

ORDINANCE NO. 1043AN ORDINANCE AMENDING SECTIONS 10.92.070(a) AND 10.52.040
PERTAINING TO THE PARKING OF TRUCKS

WHEREAS, the City of Douglas (City) Council finds and determines that the following changes and clarifications need to be made in regard to the City of Douglas Municipal Code; and

WHEREAS, consideration has been given to ensure fairness to all City of Douglas residents and make new regulations reasonable.

BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF DOUGLAS, WYOMING:

Section 1. Section 10.92.070(a) of the Douglas Municipal Code is hereby amended to read as follows:

10.92.070 Truck Parking.

(a) No person shall park any commercial truck over ten thousand (10,000) pounds gross vehicle weight upon any street or alley in the city except in those areas designated as either business or industrial.

Exception: Commercial trucks may be parked on the west side of Brownfield Road between the entrance to the Wyoming State Fair Grounds and South property line of the Wyoming State Fair Grounds.

(b) By resolution, the City Council may prohibit parking upon any individual street or alley in the city, including those streets or alleys that allow commercial truck parking as listed in subparagraph (a) of this section.

Section 2. Section 10.52.040 of the Douglas Municipal Code is hereby amended to read as follows:

10.52.040 Parking of trucks prohibited on certain streets.

There shall be no parking of trucks of any kind on North Third Street between Walnut Street and Center Street or on the east side of Brownfield Road. For purposes of this section, "truck" shall not include vehicles of one (1) ton or under.

PASSED AND APPROVED ON FIRST READING this _____ day of _____, 2024.

PASSED AND APPROVED ON SECOND READING this _____ day of _____, 2024.

PASSED, APPROVED AND ADOPTED ON THIRD AND FINAL READING this _____ day of _____, 2024.

Mary Nicol, City Clerk

Item

Ordinance 1043 Amending Ordinances Pertaining to the Parking of Trucks on Brownfield Road.

Responsible Staff Contact

Todd Byerly

Recommendations

Recommend approving Ordinance 1043 on first reading.

Executive Summary

Since the adoption of Ordinance 1018 in December 2022, Brownfield Road has had an increase of issues related to parking commercial trucks creating an unsafe and unsightly thoroughfare. Recently, the Douglas Police Department and the Wyoming State Fairgrounds have witnessed damage to fences, an increase in trash being dumped along the side of the road, deep ruts in the drainage area along the west side of the road, and a constant stream of calls to the Douglas Police Department. Additionally, the parking of commercial trucks has created a visual obstruction and an unsafe environment on Brownfield Road.

Public Awareness Campaign: It is recommended that during the process of adopting Ordinance 1043, the Douglas Police Department begin to notify drivers of commercial trucks that parking will be prohibited soon and to start looking for an alternative. Furthermore, it is recommended that once Ordinance 1043 has been published in the Douglas Budget, Public Works distribute temporary signage alerting drivers of commercial trucks that parking is now prohibited anywhere on Brownfield Road.

Background

Ordinance 1018 Amending Sections 10.92.070, 10.04.010(xxxix), 10.52.010(a)(i)(e) And 10.52.040 and Creating 10.48.080 Pertaining to the Parking of Trucks was published December 28, 2022. Specific to Brownfield Road, this Ordinance allowed commercial trucks to be parked on the west side of Brownfield Road between the entrance to the Wyoming State Fair Grounds and the South property line of the Wyoming State Fair Grounds. It also prohibited the parking of commercial trucks on the east side of Brownfield Road.

Purchase of a Schwarze M-6 Avalanche Mechanical Street sweeper.

Responsible Staff Contact

John Harbarger
Blake Palmer

Recommendation

Recommend accepting the Sourcewell discounted contract price through Torgerson Equipment in the amount of \$330,000.00 for the purchase of a mechanical street sweeper.

Executive Summary

Note: there are many files/attachments associated with this item. All file names are referenced and displayed in green).

The M6 Avalanche offers superior debris collection, enhanced maneuverability, and reduced maintenance costs, making it an ideal choice for maintaining our city streets efficiently. This acquisition will improve our street cleaning operations, ensuring cleaner and safer roads for our community.

This Purchase will be made through Sourcewell Contract #093021-SWZ, Sourcewell is a cooperative purchasing program that provides access to competitively bid contracts. By purchasing the Schwarze M6 Avalanche mechanical street sweeper through Sourcewell, we benefit from pre-negotiated pricing and streamlined procurement processes, ensuring cost-effectiveness and compliance with public purchasing regulations. This approach simplifies the acquisition process and secures a competitive price.

The replacement cost was budgeted at **\$340,000.⁰⁰**

I received two quotes on this equipment as follows:

Torgerson Equipment (*Proposal-Schwarze M-6 Avalanche*) Base: \$330,000.⁰⁰

Joe Johnston Equipment (*Proposal-Elgin Broom Bear*). Base: \$345,713.⁰⁰

Background

Our 2004 Johnson model is an aging machine and has become increasingly unreliable and costly to maintain, posing several operational challenges and inefficiencies. There are three key reasons that necessitate its replacement:

1. Unavailability of Parts.
2. Inefficient Hydrostatic Drive.
3. Ongoing Issues with Mechanical and Electrical Systems.

Cooperative Purchasing

Cooperative purchasing is “Procurement conducted by, or on behalf of, one or more Public Procurement Units” as defined by the American Bar Association Model Procurement Code for State and Local Governments.

Cooperative purchasing provides participating entities and suppliers increased administrative efficiencies and the power of combined purchasing volume that results in overall cost savings. At times, Sourcewell also partners with other purchasing cooperatives to combine the purchasing volume of their membership into a single solicitation and contract expanding the reach of contracted suppliers’ potential pool of end users.

Many cities in the State of Wyoming utilize cooperative purchasing, however, Douglas has heretofore not availed itself of the option. With some particular purchases, it can be of great benefit especially to reduce lead time and still obtain good pricing.

As authorized by state statute 16-1-101. Authority to cooperate.

In exercising, performing or carrying out any power, privilege, authority, duty or function legally vested in any one (1) or more of them by Wyoming law, the state of Wyoming, and any one (1) or more of its counties, municipal corporations, school districts, special districts, public institutions, agencies, boards, commissions and political subdivisions, and any officer or legal representative of any one (1) or more of them, may cooperate with and assist each other, and like entities or authorities of other states, the United States and the Eastern Shoshone and Northern Arapaho tribes of the Wind River Indian Reservation. Cooperation may be informal or subject to resolution, ordinance or other appropriate action, and may be embodied in a written agreement specifying purposes, duration, means of financing, methods of operations, termination, acquisition and disposition of property, employment of executive and subordinate agents, reciprocation of governmental immunity protections or other limitations of liability pursuant to W.S. 16-1-104(f) and other appropriate provisions.

Sourcewell

Sourcewell started as a State of Minnesota local government unit and service cooperative created under the laws of the State of Minnesota (Minnesota Statutes Section 123A.21) that facilitates a competitive public solicitation and contract award process. It has now grown to be an opportunity for over 50,000 participating entities across the United States and Canada. Sourcewell’s solicitation process complies with State of Wyoming law and policies, and also conforms to Canadian trade agreements, which results in cooperative purchasing solutions from which Sourcewell’s Participating Entities procure equipment, products, and services.

Sourcewell's analysts streamline the procurement process by developing RFPs and IFBs for national, competitive solicitations that meet or exceed local requirements. They utilize a process to best meet the needs of participating agencies and allows Sourcewell to offer products from national suppliers.

Sourcewell conducts nationwide bids, primarily to manufacturers that provide a base price bid for equipment. They then collaborate with the local dealer to add the options we desire. Note that Torgerson and most dealers are not listed in Sourcewell due to their localized nature.

The Sourcewell contract operates by the manufacturer offering a discount at the beginning of the process.

More information regarding Sourcewell can be found at <https://www.sourcewell-mn.gov/cooperative-purchasing/how-it-works>

Sweepers - Schwarze

Sourcewell conducted an RFP for streetsweepers (see [Sourcewell RFP Sweepers.pdf](#)).

Reference to Schwarze in the Sourcewell proposal evaluation is found in the file [Sourcewell RFP Evaluation](#), in the 7th column as “DuCo, LLC (Schwarze Industries, Inc.).” They hold the 2nd ranked proposal overall, with Elgin in the next column. We identified Torgerson as a local dealer utilizing Sourcewell. Initially, we sought conventional quotes and contacted Torgerson as a Schwarze dealer to provide a quote against Joe Johnston and Elgin, whom we have traditionally used.

In the Spreadsheet entitled “[Schwarze Sourcewell price list](#),” please refer to tab M6SE, which lists the initial price for the vacuum attachment only; additional costs for other options, including the truck, must be added. When you total these costs, you will observe significant savings. The Elgin pricing spreadsheet is also available for reference Entitled “[Elgin BROOM BEAR Sourcewell](#)”.

Reference the discount mentioned above, in this case, as indicated in the file [Sourcewell Schwarze Discount Pricing.pdf](#), the particular sweeper that the City is purchasing comes with a built-in 3-5% discount off list price, and in addition to the discount off MSRP, Sourcewell participating entities can also qualify for a volume discount of up to 2% applicable to order size.

Torgerson

Torgerson is contracted with Sourcewell and must provide the initial discount received from Schwarze. The discount reference above is applied when they initially purchase the equipment. In this instance, they have already bought the vehicle through Sourcewell, and although they can sell it at any price to non-Sourcewell users, they are contractually obligated to pass the savings on to us. Sweepers do not have widely varying options, and regional sales companies generally understand common local preferences. The unit preordered by Torgerson included all the options I would have added, except for a remote grease option, which they added shortly after I expressed interest.

Torgerson, as a dealer, references the specific Sourcewell contract number to indicate that they are providing equipment and pricing in accordance with the Sourcewell RFP and terms. This documentation ensures that pricing and specifications meet Sourcewell's competitive standards.

LIMITED WARRANTY

Limited Warranty. Each machine manufactured by ELGIN SWEEPER COMPANY ("ESCO" or the "Company") is warranted against defects in material and workmanship for a period of 12 months, provided the machine is used in a normal and reasonable manner and in accordance with all operating instructions. If sold to an end user, the applicable warranty period commences from the date of delivery to the end user. If used for rental purposes, the applicable warranty period commences from the date the machine is first made available for rental by the Company or its representative. This limited warranty may be enforced by any subsequent transferee during the warranty period. This limited warranty is the sole and exclusive warranty given by the Company.

Exclusive Remedy. Should any warranted product fail during the warranty period, ESCO will cause to be repaired or replaced, as the Company may elect, any part or parts of such machine that the Company's examination discloses to be defective in material or factory workmanship. Repairs or replacements are to be made at the selling Elgin distributor's location or at other locations approved by ESCO. In lieu of repair or replacement, the Company may elect, at its sole discretion, to refund the purchase price of any product deemed defective. The foregoing remedies shall be the sole and exclusive remedies of any party making a valid warranty claim.

The ESCO Limited Warranty shall not apply to (and ESCO shall not be responsible for):

1. Major components or trade accessories that have a separate warranty from their original manufacturer, such as, but not limited to, trucks, engines, hydraulic pumps and motors, tires and batteries.
2. Normal adjustments and maintenance services.
3. Normal wear parts such as, but not limited to, brooms, oils, fluids, filters, broom wire, shoe runners, rubber deflectors and suction hoses.
4. Failures resulting from the machine being operated in a manner or for a purpose not recommended by ESCO.
5. Repairs, modifications or alterations without the express written consent of ESCO, which in the Company's sole judgment, have adversely affected the machine's stability, operation or reliability as originally designed and manufactured.
6. Items subject to misuse, negligence, accident or improper maintenance.

NOTE The use in the product of any part other than parts approved by ESCO may invalidate this warranty. ESCO reserves the right to determine, in its sole discretion, if the use of non-approved parts operates to invalidate the warranty. Nothing contained in this warranty shall make ESCO liable for loss, injury, or damage of any kind to any person or entity resulting from any defect or failure in the machine.

THIS WARRANTY SHALL BE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, ALL OF WHICH ARE DISCLAIMED.

This warranty is in lieu of all other obligations or liabilities, contractual and otherwise, on the part of ESCO. For the avoidance of doubt, ESCO shall not be liable for any indirect, special, incidental or consequential damages, including, but not limited to, loss of use or lost profits. ESCO makes no representation that the machine has the capacity to perform any functions other than as contained in the Company's written literature, catalogs or specifications accompanying delivery of the machine. No person or affiliated company representative is authorized to alter the terms of this warranty, to give any other warranties or to assume any other liability on behalf of ESCO in connection with the sale, servicing or repair of any machine manufactured by the Company. Any legal action based hereon must be commenced within eighteen (18) months of the event or facts giving rise to such action.

ESCO reserves the right to make design changes or improvements in its products without imposing any obligation upon itself to change or improve previously manufactured products.

ELGIN SWEEPER COMPANY
1300 W. Bartlett Road
Elgin, Illinois 60120

11-20-2007

TERMS AND CONDITIONS

ORDERS: All orders are subject to acceptance by Elgin Sweeper, Inc. (hereafter referred to as Elgin). Orders for products not normally carried in stock or requiring special engineering or manufacturing is in every case subject to approval by Elgin's Management.

PRICES: All orders are subject to current prices in effect at the time of order acknowledgment. F.O.B. Point: Unless otherwise stated, all prices listed are F.O.B. factory. Elgin reserves the right to increase the order price set forth in this Proposal Summary at any time before delivery to Buyer to reflect any increase in Elgin's costs to manufacture or deliver the ordered product due to any factor beyond the reasonable control of Elgin. Elgin shall provide Buyer with prompt electronic notice of any such price increase. Buyer shall have five days from receipt of such notice to cancel its order, absent which Buyer shall be deemed to have consented to the price increase.

PAYMENT TERMS: The company's payment terms are due upon receipt, unless otherwise stated. However, until such time as Elgin receives full payment, Elgin shall maintain a purchase money security interest in the product.

CANCELLATION: Orders cannot be canceled except upon terms that will compensate Elgin for any loss or damage sustained. Such loss will be a minimum of 10% of the purchase price.

SHIPMENT: All proposals are based on continuous and uninterrupted delivery of the order upon completion, unless specifications distinctly state otherwise. In the event that agreement is reached for Elgin to store completed items, they will be immediately invoiced to the customer and become due and payable. Storage shall be at the risk of the customer and Elgin shall be liable only for ordinary care of the property.

STORAGE CHARGES: Elgin shall charge the customer at current rates for handling and storing customer's property (e.g. truck chassis) held for more than thirty (30) days after notification of availability for shipment. All customer's property, or third party's property, that is stored by Elgin is at the customer's or other party's risk. Elgin is not liable for any loss or damage thereto caused by fire, water, corrosion, theft, negligence, or any caused beyond its reasonable control.

PERFORMANCE: Elgin shall not be liable for failure to complete the contract in accordance with its terms if failure is due to wars, strikes, fires, floods, accidents, delays in transportation or other causes beyond its reasonable control.

EXPERIMENTAL WORK: Work performed at customer's request such as sketches, drawings, design, testing, fabrication and materials shall be charged at current rates.

SKETCHES, ENGINEERING DRAWINGS, MODELS, and all preparatory work created or furnished by Elgin, shall remain its exclusive property; and no use of same shall be made nor may ideas obtained therefrom be used except with the consent of and on terms acceptable to Elgin.

TAXES: Buyer's final cost shall include all applicable sales and use taxes, including all sales and use taxes attributable to any changes made to Buyer's initial order placed hereunder or to any changes to applicable sales and use tax laws. However, Elgin Manufacturing, Inc. shall be responsible for Federal Excise Tax(F.E.T.) unless it is separately stated on the invoice and added to the selling price. If F.E.T. is not separately stated on the invoice it has not been included in the price and Elgin will pay any F.E.T. due itself and bear the cost of the tax. Any refunds or adjustments to the F.E.T. in such cases belong to Elgin.

PRODUCT IMPROVEMENTS: Elgin reserves the right to change manufacturing specifications and procedures in accordance with its product improvement policy.

MOUNTING PRICES: Mounting prices assume normally factory installation on a truck chassis suitable for the unit purchased. Relocation of batteries, fuel tanks, mufflers, air tanks, etc. will be an additional charge, billed at the standard factory labor rate.

WARRANTY: Elgin warrants its products to be free from defects in material and workmanship for a period of 12 months, subject to the limitations and conditions set forth in its current published warranty. Other than those expressly stated herein. THERE ARE NOT OTHER WARRANTIES OF ANY KIND EXPRESS OR IMPLIED, AND SPECIFICALLY EXCLUDED BUT NOT BY WAY OF LIMITATION, ARE THE IMPLIED WARRANTIES OF FITNESS FOR A PARTICULAR PURPOSE AND MECHANABILITY.

IT IS UNDERSTOOD AND AGREED THE ELGIN'S LIABILITY WHETHER IN CONTRACT, IN TORT, UNDER ANY WARRANTY IN NEGLIGENCE OR OTHERWISE SHALL NOT EXCEED THE RETURN OF THE AMOUNT OF THE PURCHASE PRICE PAID BY THE PURCHASER AND UNDER NO CIRCUMSTANCES SHALL ELGIN BE LIABLE FOR SPECIAL, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES. THE PRICES STATED FOR THE EQUIPMENT IS A CONSIDERATION IN LIMITING ELGIN'S LIABILITY. NO ACTION REGARDLESS OF FORM, ARISING OUT OF THE TRANSACTION OF THE AGREEMENT MAY BE BROUGHT BY PURCHASER MORE THAN ONE YEAR AFTER THE CAUSE OF ACTION HAS OCCURRED.

ELGIN'S MAXIMUM LIABILITY SHALL NOT EXCEED AND BUYER'S REMEDY IS LIMITED TO EITHER (I) REPAIR OR REPLACEMENT OF THE DEFECTIVE PART OF PRODUCT, OR AT ELGIN'S OPTION (II) RETURN OF THE PRODUCT AND REFUND OF THE PURCHASE PRICE AND SUCH REMEDY SHALL BE BUYER'S ENTIRE AND EXCLUSIVE REMEDY.

CHOICE OF LAW: These Terms and Conditions shall be construed according to the laws of the State of Illinois. Failure at any time by Elgin to exercise any of its rights under this agreement shall not constitute a waiver thereof nor prejudice Elgin's right to enforce it thereafter.

COMPLETE AGREEMENT: These terms and conditions, contain the complete and final agreement between the parties hereto and no other agreement in any way modifying any of these terms and conditions will be binding on Elgin unless in writing and agreed to by an authorized representative of Elgin. All proposed terms included in Buyer's purchase order or other standard contracting documents are expressly rejected.

I agree with the above terms and conditions:

RFP #093021
REQUEST FOR PROPOSALS
for
Street Sweepers and Specialty Sweepers, with Related Equipment, Accessories,
and Supplies

Proposal Due Date: September 30, 2021, 4:30 p.m., Central Time

Sourcewell, a State of Minnesota local government unit and service cooperative, is requesting proposals for Street Sweepers and Specialty Sweepers, with Related Equipment, Accessories, and Supplies to result in a contracting solution for use by its Participating Entities. Sourcewell Participating Entities include thousands of governmental, higher education, K-12 education, nonprofit, tribal government, and other public agencies located in the United States and Canada. A full copy of the Request for Proposals can be found on the Sourcewell Procurement Portal [<https://proportal.sourcewell-mn.gov>]. Only proposals submitted through the Sourcewell Procurement Portal will be considered. Proposals are due no later than September 30, 2021, at 4:30 p.m. Central Time, and late proposals will not be considered.

Solicitation Schedule

Public Notice of RFP Published:	August 12, 2021
Pre-proposal Conference:	September 1, 2021, 10:00 a.m., Central Time
Question Submission Deadline:	September 23, 2021, 4:30 p.m., Central Time
Proposal Due Date:	September 30, 2021, 4:30 p.m., Central Time Late responses will not be considered.
Opening:	September 30, 2021, 6:30 p.m., Central Time See RFP Section V.G. "Opening"

I. ABOUT SOURCEWELL

A. SOURCEWELL

Sourcewell is a State of Minnesota local government unit and service cooperative created under the laws of the State of Minnesota (Minnesota Statutes Section 123A.21) that facilitates a competitive public solicitation and contract award process for the benefit of its 50,000+ participating entities across the United States and Canada. Sourcewell's solicitation process complies with State of Minnesota law and policies, conforms to Canadian trade agreements, and results in cooperative purchasing solutions from which Sourcewell's Participating Entities procure equipment, products, and services.

Cooperative purchasing provides participating entities and suppliers increased administrative efficiencies and the power of combined purchasing volume that result in overall cost savings. At times, Sourcewell also partners with other purchasing cooperatives to combine the purchasing volume of their membership into a single solicitation and contract expanding the reach of contracted suppliers' potential pool of end users.

Sourcewell uses a website-based platform, the Sourcewell Procurement Portal, through which all proposals to this RFP must be submitted.

B. USE OF RESULTING CONTRACTS

In the United States, Sourcewell's contracts are available for use by:

- Federal and state government entities;
- Cities, towns, and counties/parishes;
- Education service cooperatives;
- K-12 and higher education entities;
- Tribal government entities;
- Some nonprofit entities; and
- Other public entities.

In Canada, Sourcewell's contracts are available for use by:

- Provincial and territorial government departments, ministries, agencies, boards, councils, committees, commissions, and similar agencies;
- Regional, local, district, and other forms of municipal government, municipal organizations, school boards, and publicly-funded academic, health, and social service entities referred to as MASH sector (this should be construed to include but not be limited to the Cities of Calgary, Edmonton, Toronto, Ottawa, and Winnipeg), as well as any corporation or entity owned or controlled by one or more of the preceding entities;
- Crown corporations, government enterprises, and other entities that are owned or controlled by these entities through ownership interest;

- Members of the Rural Municipalities of Alberta (RMA) and their represented Associations: MASH (municipalities, academic institutions, schools and hospitals) and MUSH (municipalities, universities, schools and hospitals) sectors, and other governmental agencies eligible to use the Sourcewell contracts. MASH and MUSH sector refers to regional, local, district or other forms of municipal government, school boards, publicly-funded academic, health and social service entities, as well as any corporation or entity owned or controlled by one or more of the preceding entities, including but not limited to represented associations, Saskatchewan Association of Rural Municipalities ("SARM"), Association of Manitoba Municipalities ("AMM"), Local Authorities Services/Association of Municipalities Ontario ("LAS/AMO", excluding the cities of Toronto and Ottawa), Nova Scotia Federation of Municipalities ("NSFM"), Federation of Prince Edward Island Municipalities ("FPEIM"), Municipalities Newfoundland Labrador ("MNL"), Union of New Brunswick Municipalities ("UNBM"), North West Territories Association of Communities ("NWTAC") and their members. RMA Participants may include all not-for-profit agencies for Canadian provinces and territories.

For a listing of current United States and Canadian Participating Entities visit Sourcewell's website (note: there is a tab for each country): <https://www.sourcewell-mn.gov/sourcewell-for-vendors/agency-locator>.

Participating Entities typically access contracted equipment, products, or services through a purchase order issued directly to the contracted supplier. A Participating Entity may request additional terms or conditions related to a purchase. Use of Sourcewell contracts is voluntary and Participating Entities retain the right to obtain similar equipment, products, or services from other sources.

To meet Participating Entities' needs, Sourcewell broadly publishes public notice of all solicitation opportunities, including this RFP. In the United States each state-level procurement department receives notice for possible re-posting.

Proof of publication will be available at the conclusion of the solicitation process.

II. SOLICITATION DETAILS

A. SOLUTIONS-BASED SOLICITATION

This RFP and contract award process is a solutions-based solicitation; meaning that Sourcewell is seeking equipment, products, or services that meet the general requirements of the scope of this RFP and that are commonly desired or are required by law or industry standards.

B. REQUESTED EQUIPMENT, PRODUCTS, OR SERVICES

It is expected that proposers will offer a wide array of equipment, products, or services at lower prices and with better value than what they would ordinarily offer to a single government entity, a school district, or a regional cooperative.

1. Sourcewell is seeking proposals for Street Sweepers and Specialty Sweepers, with Related Equipment, Accessories, and Supplies intended or designed for the sweeping, vacuuming, or cleaning of streets, roadways, alleys, parking facilities, sidewalks, trails, paths, and airport runway or airfield surfaces, such as:
 - a. Street, sidewalk, parking lot, and runway sweeping and cleaning equipment of every size, model, or design;
 - b. Litter, trash, and debris vacuums; and,
 - c. Supplies and replacement or wear parts related to the offering of the solutions in subsections 1. a. – b. above.
2. Sourcewell is seeking a wide variety and range of the equipment described in Section 1. a. – c. above by: 1) purpose-built, chassis-mounted, trailer-mounted, or walk-behind/beside design; 2) engine type, including conventional internal combustion, natural gas, or propane autogas, hybrid or alternative fuels, and electric powered solutions; and, 3) optional equipment or accessory offerings.
3. The primary focus of this solicitation is on Street Sweepers and Specialty Sweepers, with Related Equipment, Accessories, and Supplies, and the related offering of equipment, supplies and services. This solicitation should NOT be construed to include “services only” solutions.
4. This solicitation does not include those equipment, products, or services covered under categories included in contracts currently maintained by Sourcewell:
 - a. Snow and Ice Handling Equipment, Supplies, and Accessories (RFP #080818);
 - b. Facility MRO (Maintenance, Repair & Operations), Industrial & Building Supplies with Related Equipment, Accessories, Supplies & Services (RFP #121218);
 - c. Airport Runway and Emergency Equipment with Related Accessories (RFP #030619);
 - d. Janitorial Supplies and Equipment with Related Services (RFP #101320);
 - e. Grounds Maintenance Equipment, Attachments, and Accessories with Related Services (RFP #031121); and,
 - f. Roadway Maintenance Equipment (RFP #080521).

Proposers may include related equipment, accessories, and services to the extent that these solutions are complementary to the equipment, products, or service(s) being proposed.

Generally, the solutions for Participating Entities are turn-key solutions, providing a combination of equipment, products and services, delivery, and installation to a properly operating status. However, equipment or products only solutions may be appropriate for situations where Participating Entities possess the ability, either in-house or through local third-party contractors, to properly install and bring to operation the equipment or products being proposed.

Sourcewell prefers suppliers that provide a sole source of responsibility for the equipment, products, and services provided under a resulting contract. If proposer is including the equipment, products, and services of its subsidiary entities, the proposer must also identify all included subsidiaries in its proposal. If proposer requires the use of distributors, dealers, resellers, or subcontractors to provide the equipment, products, or services, the proposal must address how the equipment, products or services will be provided to Participating Entities, and describe the network of distributors, dealers, resellers, and/or subcontractors that will be available to serve Participating Entities under a resulting contract.

Sourcewell desires the broadest possible selection of equipment, products, and services being proposed over the largest possible geographic area and to the largest possible cross-section of Sourcewell current and future Participating Entities.

C. REQUIREMENTS

It is expected that proposers have knowledge of all applicable industry standards, laws, and regulations and possess an ability to market and distribute the equipment, products, or services to Participating Entities.

1. Safety Requirements. All items proposed must comply with current applicable safety or regulatory standards or codes.
2. Deviation from Industry Standard. Deviations from industry standards must be identified with an explanation of how the equipment, products, and services will provide equivalent function, coverage, performance, and/or related services.
3. New Equipment and Products. Proposed equipment and products must be for new, current model; however, proposer may offer certain close-out equipment or products if it is specifically noted in the Pricing proposal.
4. Delivered and operational. Unless clearly noted in the proposal, equipment and products must be delivered to the Participating Entity as operational.
5. Warranty. All equipment, products, supplies, and services must be covered by a warranty that is the industry standard or better.

D. ANTICIPATED CONTRACT TERM

Sourcewell anticipates that the term of any resulting contract(s) will be four years, with an optional one year extension that may be offered based on the best interests of Sourcewell and its Participating Entities.

E. ESTIMATED CONTRACT VALUE AND USAGE

Based on past volume of similar contracts, the estimated annual value of all transactions from contracts resulting from this RFP are anticipated to be USD \$48 Million; therefore, proposers are expected to propose volume pricing. Sourcewell anticipates considerable activity under the contract(s) awarded from this RFP; however, sales and sales volume from any resulting contract are not guaranteed.

F. MARKETING PLAN

Proposer's sales force will be the primary source of communication with Participating Entities. The proposer's Marketing Plan should demonstrate proposer's ability to deploy a sales force or dealer network to Participating Entities, as well as proposer's sales and service capabilities. It is expected that proposer will promote and market any contract award.

G. ADDITIONAL CONSIDERATIONS

1. Contracts will be awarded to proposers able to best meet the need of Participating Entities. Proposers should submit their complete line of equipment, products, or services that are applicable to the scope of this RFP.
2. Proposers should include all relevant information in its proposal, since Sourcewell cannot consider information that is not included in the proposal. Sourcewell reserves the right to verify proposer's information and may request clarification from a proposer, including samples of the proposed equipment or products.
3. Depending upon the responses received in a given category, Sourcewell may need to organize responses into subcategories in order to provide the broadest coverage of the requested equipment, products, or services to Participating Entities. Awards may be based on a subcategory.
4. A proposer's documented negative past performance with Sourcewell or its Participating Entities occurring under a previously awarded Sourcewell contract may be considered in the evaluation of a proposal.

III. PRICING

A. REQUIREMENTS

All proposed pricing must be:

Rev. 3/2021

1. Either Line-Item Pricing or Percentage Discount from Catalog Pricing, or a combination of these:
 - a. **Line-item Pricing** is pricing based on each individual product or services. Each line must indicate the proposer's published "List Price," as well as the "Contract Price."
 - b. **Percentage Discount from Catalog or Category** is based on a percentage discount from a catalog or list price, defined as a published Manufacturer's Suggested Retail Price (MSRP) for the products or services. Individualized percentage discounts can be applied to any number of defined product groupings. Proposers will be responsible for providing and maintaining current published MSRP with Sourcwell, and this pricing must be included in its proposal and provided throughout the term of any Contract resulting from this RFP.
2. The proposer's not to exceed price. A not to exceed price is the highest price for which equipment, products, or services may be billed to a Participating Entity. However, it is permissible for suppliers to sell at a price that is lower than the contracted price.
3. Stated in U.S. and Canadian dollars (as applicable).
4. Clearly understandable, complete, and fully describe the total cost of acquisition (e.g., the cost of the proposed equipment, products, and services delivered and operational for its intended purpose in the Participating Entity's location).

Proposers should clearly identify any costs that are NOT included in the proposed product or service pricing. This may include items such as installation, set up, mandatory training, or initial inspection. Include identification of any parties that impose such costs and their relationship to the proposer. Additionally, proposers should clearly describe any unique distribution and/or delivery methods or options offered in the proposal.

B. ADMINISTRATIVE FEES

Proposers are expected to pay to Sourcwell an administrative fee in exchange for Sourcwell facilitating the resulting contracts. The administrative fee is normally calculated as a percentage of the total sales to Participating Entities for all contracted equipment, products, or services made during a calendar quarter, and is typically one percent (1%) to two percent (2%). In some categories, a flat fee may be an acceptable alternative.

IV. CONTRACT

Proposers awarded a contract will be required to execute a contract with Sourcwell (see attached template). Only those modifications the proposer indicates in its proposal will be available for discussion. Much of the language in the Contract reflects Minnesota legal requirements and cannot be altered. Numerous and/or onerous exceptions that contradict Minnesota law may result in the proposal being disqualified from further review and evaluation.

To request a modification to the template Contract, a proposer must submit the Exceptions to Terms, Conditions, or Specifications table with its proposal. Only those exceptions noted at the time of the proposal submission will be considered.

Exceptions must:

1. Clearly identify the affected article and section.
2. Clearly note the requested modification; and as applicable, provide requested alternative language.

Unclear requests will be automatically denied.

Only those exceptions that have been accepted by Sourcewell will be included in the contract document provided to the awarded supplier for signature.

If a proposer receives a contract award resulting from this solicitation it will have up to 30 days to sign and return the contract. After that time, at Sourcewell's sole discretion, the contract award may be revoked.

V. RFP PROCESS

A. PRE-PROPOSAL CONFERENCE

Sourcewell will hold an optional, non-mandatory pre-proposal conference via webcast on the date and time noted in the Solicitation Schedule for this RFP and on the Sourcewell Procurement Portal. The purpose of this conference is to allow potential proposers to ask questions regarding this RFP and Sourcewell's competitive contracting process. Information about the webcast will be sent to all entities that have registered for this solicitation opportunity through their Sourcewell Procurement Portal Supplier Account. Pre-proposal conference attendance is optional.

B. QUESTIONS REGARDING THIS RFP AND ORAL COMMUNICATION

All questions regarding this RFP must be submitted through the Sourcewell Procurement Portal. The deadline for submission of questions is found in the Solicitation Schedule and on the Sourcewell Procurement Portal. Answers to questions will be issued through an addendum to this RFP. Repetitive questions will be summarized into a single answer and identifying information will be removed from the submitted questions.

All questions, whether specific to a proposer or generally related to the RFP, must be submitted using this process. Do not contact individual Sourcewell staff to ask questions or request information as this may disqualify the proposer from responding to this RFP. Sourcewell will not respond to questions submitted after the deadline.

C. ADDENDA

Sourcewell may modify this RFP at any time prior to the proposal due date by issuing an addendum. Addenda issued by Sourcewell become a part of the RFP and will be delivered to potential proposers through the Sourcewell Procurement Portal. Sourcewell accepts no liability in connection with the delivery of any addenda.

Before a proposal will be accepted through the Sourcewell Procurement Portal, all addenda, if any, must be acknowledged by the proposer by checking the box for each addendum. It is the responsibility of the proposer to check for any addenda that may have been issued up to the solicitation due date and time.

If an addendum is issued after a proposer submitted its proposal, the Sourcewell Procurement Portal will WITHDRAW the submission and change the proposer's proposal status to INCOMPLETE. The proposer can view this status change in the "MY BIDS" section of the Sourcewell Procurement Portal Supplier Account. The proposer is solely responsible to check the "MY BIDS" section of the Sourcewell Procurement Portal Supplier Account periodically after submitting its proposal (and up to the Proposal Due Date). If the proposer's proposal status has changed to INCOMPLETE, the proposer is solely responsible to:

- i) make any required adjustments to its proposal;
- ii) acknowledge the addenda; and
- iii) ensure the re-submitted proposal is received through the Sourcewell Procurement Portal no later than the Proposal Due Date and time shown in the Solicitation Schedule above.

D. PROPOSAL SUBMISSION

Proposer's complete proposal must be submitted through the Sourcewell Procurement Portal no later than the date and time specified in the Solicitation Schedule. Any other form of proposal submission, whether electronic, paper, or otherwise, will not be considered by Sourcewell. **Late proposals will not be considered.** It is the proposer's sole responsibility to ensure that the proposal is received on time.

It is recommended that proposers allow sufficient time to upload the proposal and to resolve any issues that may arise. The time and date that a proposal is received by Sourcewell is solely determined by the Sourcewell Procurement Portal web clock.

In the event of problems with the Sourcewell Procurement Portal, follow the instructions for technical support posted in the portal. It may take up to 24 hours to respond to certain issues.

Upon successful submission of a proposal, the Sourcewell Procurement Portal will automatically generate a confirmation email to the proposer. If the proposer does not receive a confirmation email, contact Sourcewell's support provider at support@bidsandtenders.ca.

To ensure receipt of the latest information and updates via email regarding this solicitation, or if the proposer has obtained this solicitation document from a third party, the onus is on the proposer to create a Sourcewell Procurement Portal Supplier Account and register for this solicitation opportunity.

Within the Sourcewell Procurement Portal, all proposals must be digitally acknowledged by an authorized representative of the proposer attesting that the information contained in the proposal is true and accurate. By submitting a proposal, proposer warrants that the information provided is true, correct, and reliable for purposes of evaluation for potential contract award. The submission of inaccurate, misleading, or false information is grounds for disqualification from a contract award and may subject the proposer to remedies available by law.

E. GENERAL PROPOSAL REQUIREMENTS

Proposals must be:

- In substantial compliance with the requirements of this RFP or it will be considered nonresponsive and be rejected.
- Complete. A proposal will be rejected if it is conditional or incomplete.
- Submitted in English.
- Valid and irrevocable for 90 days following the Proposal Due Date.

Any and all costs incurred in responding to this RFP will be borne by the proposer.

F. PROPOSAL WITHDRAWAL

Prior to the proposal deadline, a proposer may withdraw its proposal.

G. OPENING

The Opening of proposals will be conducted electronically through the Sourcewell Procurement Portal. A list of all proposers will be made publicly available in the Sourcewell Procurement Portal after the Proposal Due Date, but no later than the Opening time listed in the Solicitation Schedule.

To view the list of proposers, verify that the Sourcewell Procurement Portal opportunities list search is set to "All" or "Closed." The solicitation status will automatically change to "Closed" after the Proposal Due Date and Time.

VI. EVALUATION AND AWARD

A. EVALUATION

It is the intent of Sourcewell to award one or more contracts to responsive and responsible proposers offering the best overall quality, selection of equipment, products, and services, and price that meet the commonly requested specifications of Sourcewell and its Participating Entities. The award(s) will be limited to the number of proposers that Sourcewell determines is necessary to meet the needs of its Participating Entities. Factors to be considered in determining the number of contracts to be awarded in any category may include the following:

- The number of and geographic location of:
 - Proposers necessary to offer a comprehensive selection of equipment, products, or services for Participating Entities' use.
 - A proposer's sales and service network to assure availability of product supply and coverage to meet Participating Entities' anticipated needs.
- Total evaluation scores.
- The attributes of proposers, and their equipment, products, or services, to assist Participating Entities achieve environmental and social requirements, preferences, and goals.

Information submitted as part of a proposal should be as specific as possible when responding to the RFP. Do not assume Sourcewell has any knowledge about a specific supplier or product.

B. AWARD(S)

Award(s) will be made to the proposer(s) whose proposal conforms to all conditions and requirements of the RFP, and consistent with the award criteria defined in this RFP.

Sourcewell may request written clarification of a proposal at any time during the evaluation process.

Proposal evaluation will be based on the following scoring criteria and the Sourcewell Evaluator Scoring Guide (a copy is available in the Sourcewell Procurement Portal):

Conformance to RFP Requirements	50
Financial Viability and Marketplace Success	75
Ability to Sell and Deliver Service	100
Marketing Plan	50
Value Added Attributes	75
Warranty	50
Depth and Breadth of Offered Equipment, Products, or Services	200
Pricing	400
TOTAL POINTS	1000

C. PROTESTS OF AWARDS

Any protest made under this RFP by a proposer must be in writing, addressed to Sourcewell's Executive Director, and delivered to the Sourcewell office located at 202 12th Street NE, P.O. Box 219, Staples, MN 56479. All documents that comprise the complete protest package must be received no later than 10 calendar days' following Sourcewell's notice of contract award(s) or non-award and must be time stamped by Sourcewell no later than 4:30 p.m., Central Time. A protest must allege a procedural, technical, or legal defect, with supporting documentation. A protest that merely requests a re-evaluation of a proposal's content will not be entertained.

A protest must include the following items:

- The name, address, and telephone number of the protester;
- Identification of the solicitation by RFP number;
- A precise statement of the relevant facts;
- Identification of the alleged procedural, technical, or legal defect;
- Analysis of the basis for the protest;
- Any additional supporting documentation;
- The original signature of the protester or its representative; and
- Protest bond in the amount of \$20,000 (except where prohibited by law or treaty).

Protests that do not address these elements will not be reviewed.

D. RIGHTS RESERVED

This RFP does not commit Sourcewell to award any contract, and a proposal may be rejected if it is nonresponsive, conditional, incomplete, conflicting, or misleading. Proposals that contain false statements or do not support an attribute or condition stated by the proposer may be rejected.

Sourcewell reserves the right to:

- Modify or cancel this RFP at any time;
- Reject any and all proposals received;
- Reject proposals that do not comply with the provisions of this RFP;
- Select, for contracts or for discussion, a proposal other than that with the lowest cost;
- Independently verify any information provided in a proposal;
- Disqualify any proposer that does not meet the requirements of this RFP, is debarred or suspended by the United States or Canada, State of Minnesota, Participating Entity's state or province; has an officer, or other key personnel, who have been charged with a serious crime; or is bankrupt, insolvent, or where bankruptcy or insolvency are a reasonable prospect;
- Waive or modify any informalities, irregularities, or inconsistencies in the proposals received;

Rev. 3/2021

- Clarify any part of a proposal and discuss any aspect of the proposal with any proposer; and negotiate with more than one proposer;
- Award a contract if only one responsive proposal is received if it is in the best interest of Participating Entities; and
- Award a contract to one or more proposers if it is in the best interest of Participating Entities.

E. DISPOSITION OF PROPOSALS

All materials submitted in response to this RFP will become property of Sourcewell and will become public record in accordance with Minnesota Statutes Section 13.591, after negotiations are complete. Sourcewell considers that negotiations are complete upon execution of a resulting contract. It is the proposer's responsibility to clearly identify any data submitted that it considers to be protected. Proposer must also include a justification for the classification citing the applicable Minnesota law. Sourcewell may reject proposals that are marked confidential or nonpublic, either substantially or in their entirety.

Sourcewell will not consider the prices submitted by the proposer to be confidential, proprietary, or trade secret materials. Financial information, including financial statements, provided by a proposer is not considered trade secret under the statutory definition.

8/13/2021

Addendum No. 1

Solicitation Number: RFP 093021

Solicitation Name: Street Sweepers and Specialty Sweepers, with Related Equipment, Accessories, and Supplies

Consider the following Amendment, and the Question and Answer, to be part of the above-titled solicitation documents. The remainder of the documents remain unchanged.

RFP Amendment:

To provide additional clarity on the requested equipment, products, or services of this solicitation, RFP Subsection II. B. 4. c. is revised to read as follows (new text in *italics*):

* * * *

- c. Airport Runway and Emergency Equipment with Related Accessories (RFP #030619), *with the exception of sweeping, vacuuming, or cleaning equipment identified in subsections 1. a. and 1. b. above;*

* * * *

The remainder of the RFP content remains unchanged.

Question 1:

Does this RFP include sweepers for cleaning airport runways, taxiways, ramps and related surfaces at airports and airfields?

Answer 1:

Sourcewell utilizes a competitive, solutions-based solicitation approach that is not based on detailed specifications. Each proposer, in its discretion, will propose the equipment, products, and services that it deems to fall within Sourcewell's requested equipment, products, and services as described in the RFP. Refer to RFP Section II. B. – Requested Equipment, Products, or Services, and the amendment immediately above.

End of Addendum

Acknowledgement of this Addendum to RFP 093021 posted to the Sourcewell Procurement Portal on 8/13/2021, is required at the time of proposal submittal.

8/25/2021

Addendum No. 2

Solicitation Number: RFP 093021

Solicitation Name: Street Sweepers and Specialty Sweepers, with Related Equipment, Accessories, and Supplies

Consider the following Question and Answer to be part of the above-titled solicitation documents. The remainder of the documents remain unchanged.

Question 1:

Is it better to bid as a manufacturer or through a dealer, distributor, or importer?

Answer 1:

In the competitive process, Sourcewell will not advise a proposer on the manner in which it should submit a proposal. It is left to the discretion of each proposer to articulate and propose the approach that aligns with its business methods and satisfies the requirements of the RFP. Proposals are evaluated based on the criteria stated in the RFP.

End of Addendum

Acknowledgement of this Addendum to RFP 093021 posted to the Sourcewell Procurement Portal on 8/25/2021, is required at the time of proposal submittal.
