Re: Bid Opening for a Specified VFD Pump Controller

On April 17, 2019, at 2:30 p.m., bids were opened by the City Clerk for a VFD Pump controller to be used by the Douglas Community Club. One bid was received as follows:

Granite Peak Pump Service Inc. Watertronics model 64-kit Total Bid: \$38,365.84

The bid for the Watertronics model 64 – kit VFD Control met the bidding requirements. I recommend that we accept the bid from Granite Peak Pump Service for the total price of \$38,365.84. The total amount budgeted for this purchase was \$30,000.00; however, there is about \$56,000.00 remaining in this account.
