**Re:** BID OPENING – West Richards Street Bridge Minor Rehabilitation Project

On July 2, 2019 at 3:00 PM bids were opened by the City Clerk for the above-reference project; one bid was received as follows:

**Reiman Corp.**

**Total bid. \$112,580.00**

This bid met the bidding requirements. The funds that were budgeted for this project last year did not get moved over. Not sure how we missed this, but we did. We have numerous projects in this year's budget with a total of \$6,710,000.00. The Antelope Creek cleaning project has a budget of \$750,000; however, I do not anticipate this project costing nearly this amount.

Therefore, I would recommend that we accept the bid from Reiman Corp. in the amount of \$112,580.00 and if need be move one of the other projects over to next year. I feel that this is project is one that needs to be done sooner rather than later.
