Date: July 24, 2019
Re: BID OPENING – Slurry Seal City Streets, FY 2019-20

On July 24, 2019 at 2:00 PM bids were opened by the City Clerk for the Slurry Seal. One bid was received from Intermountain Slurry Seal Inc.

Intermountain Slurry Seal Inc.

Total bid. \$298,671.00

Item 1: \$2.70/yard, approximately 89,693 sq. yds.= \$242,171.00; Traffic Control = \$8,000; and mobilization costs = \$48,500.00

A total of \$265,000.00 was budgeted for this project. Because the bid exceeds our budget, I recommend we slurry seal less square footage to get the price down to meet budget. We will concentrate on the worst streets first. I recommend that we accept Intermountain Slurry Seal's bid price of \$2.70 per square yard.
