Memo

To: City Council

Cc: Jonathan Teichert, City Administrator

From: Clara Chaffin, Planning & Community Development Department

Subject: Safeway Subdivision

Date: August 25, 2021

History

On April 26, 2021, Resolution 2084 was approved by City Council adopting the plat for the Safeway subdivision. During the filing of the plat and resolution it was discovered that the Resolution listed it as the Safeway Addition. A corrected Resolution was approved on June 14, 2021. On a subsequent attempt to file the document, it was discovered that the legal description in the document listed the property as Lots 1-12 of Block 1, Clearfield Addition No. 2 and Block 4, Clearfield Addition No. 3. The correct legal description is Lots 7-12 of Block 1, Clearfield Addition No. 2 and Part of Block 4, Clearfield Addition No. 3.

Changes

In the Council packets, a track-changes version of the Resolution is provided to show the changes being made along with a clean version of the Resolution.

Respectfully,

Clara Chaffin
