Re: Public Works Department Head Report

---

Parks – Will be coring out holes for the posts on the north pickle ball court in the coming weeks.

Making basis for the corn hole boards that will be installed near the skate park.

Dist. & Coll. – The Pearson Dr. extension is now at DEQ for approval. As soon as we get their approval we will be advertising to bid.

CEPI is working on the design for the replacement project from Richards to Cody between 5<sup>th</sup> & LaBonte Rd.

WTP – Advertising for a new sand cleaning machine now.

After council approval, we will be in the process of replacing the sand in the coming months.

We will be installing a new vent on the Clearfield tank in the next month or two, depending on the weather.

Public Works will be meeting with CEPI on the 12<sup>th</sup> of Jan. to go over the 5 year capital project plan.
