

# Memo

**To:** Jonathan Tiechert, City Administrator

**From:** John Harbarger, Public works Director

**Date:** February 17, 2022

**Re:** BID OPENING – Slurry Seal, FY 2022-23

---

On February 17, 2022 at 2:00 PM bids were opened by the City Clerk for the Slurry Seal. Two bids were received.

**Intermountain Slurry Seal Inc.**

**Total bid. \$193,581.85**

**Asphalt Preservation**

**Total Bid. \$ 154,951.93**

Item 1: \$2.65/yard, approximately 61,729 sq. yds = \$163,581.85 Traffic Control = \$5,000 and mobilization costs = \$25,000.00

Item 2: \$2.17/yard, approximately 61,729 sq. yds. = \$133,951.31 Traffic Control = \$6,000 and mobilization costs = \$15,000.00

\$220,000.00 was budgeted for this purchase. Being that we are under budget , I would like to add more areas to seal. We could get up to additional 29,000 sq, yds slurry sealed by using up the entire budget for this project. I recommend that we except the bid from Asphalt Preservation.

CITY OF **DOUGLAS** WYOMING

HOME OF THE JACKALOPE.  
WE KNOW JACK.
