

Memo

To: Mayor, Council Members and Administrator Cox
From: John Harbarger, Public Works Director
Subject: Public Works Department Reports
Date: October 10, 2022

4.5 Alley Water and Sewer replacement – The sewer main has been replaced. The water main should be installed and tested by the end of the week of the 10th. Cody street has been asphalted and is open.

Bartling Park Lighting – The next phase of the Bartling Park lighting project is currently under design.

Community Christmas Tree – The lights have arrived, and we will coordinate with the fire department to have them placed on the tree.

Fishing platforms – The fishing platforms are currently under design.

Landfill fence replacement – We are still waiting on all the documents to be signed before the fence replacement can be scheduled.

City Hall roof replacement – We are waiting on all the documents to be signed before the roof replacement can be scheduled.
