The second annual Badges and Bogey's golf Tournament was held on August 28, 2022. The proceeds of this event are going to the Douglas PD K9 Fund. (See attached Letters of Appreciation).

Officer Byler in in the Wyoming Law Enforcement Academy and doing well. We look forward to his return to patrol.

In the spring of 2021, the department created a new mission statement and values of the department. We had also identified four (4) strategic priorities which included Recruitment and retention, Promotion and advancement opportunities, team building, and communication of the mission statement and core values. The mission and values fall in-line with the City of Douglas. We have a committee comprised of Chief Byerly, Lt Matthews, Sgt Cowardin, Sgt Toman, Detective Leman, and Letabeth Wagers to evaluate our strategic goals. The committee met on October 4 and felt that the strategic goals previously identified have for the most part, been met. There were benchmarks identified with the strategic goals. We will have other meetings to identify upcoming strategic goals but did identify one as mental/physical/financial health and career ownership. More to follow on this.
