Recommend accepting the donation of the Veterans' Path Signage

Executive Summary

Former Chief of Police Ron Casalenda has approached the City with the proposal of establishing commemorative signage in the Blue Star Memorial area. Mr. Casalenda has worked over time with local contributors as well as with the Wyoming Department of Transportation. Plans are also underway as well to have a re-dedication of this area along with the new signage. Mr. Casalenda asked that the City consider approving the signage as well as providing the contribution of the costs of the plaque.

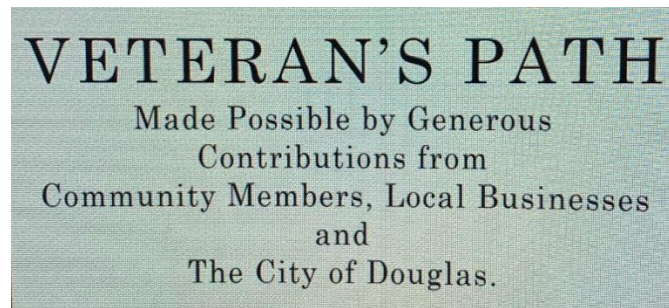

At the worksession on September 12, although taking no formal action, the City Council members expressed a positive interest generally in the idea and also in purchasing the signage that is expected to be approximately \$850 as the City's contribution to the project.

Background

On September 12, 2022, the City Council established a gifting policy to establish consistency in the acceptance of gifts, bequests, and memorials on behalf of the City of Douglas. The policy further specifies that the City Council determines "whether or not the gift, bequest, or memorial is in good taste, appropriate to the purpose of the City and in accordance with the standards of the community prior to accepting the gift" as well as "determine the appropriate location for said gift."

At the worksession on September 12, although taking no formal action, the City Council members expressed an interest in purchasing the signage that is expected to be approximately \$850.

Below is a general image of the proposed plaque. There is a typo in the first word, which possibly can be corrected.
