

Memo

To: Mayor, Council Members and Administrator Cox
From: John Harbarger, Public Works Director
Subject: Public Works Department Reports
Date: November 14, 2022

4.5 Alley Water and Sewer replacement – Ramshorn finished up the punch list last week. This project is complete. We will do a final walk-through next week and get the final payment advertised in the paper.

Bartling Park Lighting – The next phase of the Bartling Park lighting project is currently under design. We expect the 90% design review in the next couple of weeks.

Community Christmas Tree – The lights have arrived, the plan is to have Jackalope square decorated and the lights on the tree for the Dec 2nd lighting.

Fishing platforms – The fishing platforms are currently under design.

Landfill fence replacement – We have received all the signed documentation and are waiting on a schedule from the contractor.

City Hall roof replacement – We have received all signed documentation and this project is scheduled for this coming spring.

Sheep Mountain tank Lining- We will be meeting with the contractor the week of November 14 to go over the schedule on the lining of the tank.
