Recommendations

Approval of Ordinance No. 1024 regarding Animals at Large

Executive Summary

Current issues with sufficient housing for animals at the Laramie Peak Humane Society has drastically impacted the Police Department’s ability to house and care for abandoned, stray, or lost animals. Proposed ordinance removes the requirement for a hearing on feral cats. It also, in the event that there are no options of impoundment available, grants authority to the animal control officer, or officer acting in that capacity, to release, relocate/rehome or humanely euthanize the animal as the situation requires.
