

Memo

To: Mayor, Council Members and Administrator Cox
From: John Harbarger, Public Works Director
Subject: Public Works Department Reports
Date: July 7, 2023

With the new budget year starting we will be looking at designing and advertising for this year's projects soon. We have quite a few projects in this year's budget and you will see in the coming months those projects in the monthly reports. The below projects are what has been completed and the current projects in design and what will be happening soon.

Fishing platforms – The fishing platforms are currently under design.

S. 2nd and 3rd St – The sewer replacement went out for bid and we received one bid that was over budget. We will rebid in November.

Clearfield booster station – The Clearfield booster station replacement is just under design.

Middle School lift station – This project is under design.

Pearson Rd mill and overlay – This project is complete.

Pearson Rd utilities – This project is complete.

WWTP pipe lining project -- We had two bids on this, both over budget. We are currently reviewing both bids. We will have a recommendation for the council meeting on the 24th.

Parking lot project. – This project is advertised to bid with the opening July 20th.
