Recommendation

Consideration of Ordinance 1027 defining curb markings.

Executive Summary

2nd Reading: No changes.

1st Reading: Curb marking are intended to provide quick visual information to roadway users indicating parking regulations. Standard curb markings have been identified in Ordinance 1027 included Red, Yellow, Blue and Unpainted curbs.

Background

While drivers learn the difference between curb markings when obtaining their drivers' permits, reminders can be helpful. As Police Officers have approached vehicles parked incorrectly, reeducation has become evident.
