Recommendation

Consider adopting Ordinance 10__ prohibiting semi-truck parking on Brownfield Road.

Executive Summary

On December 12, 2022, Ordinance 1018 pertaining to semi-trucks was passed by City Council. The ordinance amended section 10.52.040 and section 10.92.070(a) to allow semi-truck parking on the east side of Brownfield Road. Since the adoption of Ordinance 1018, parking of semi-trucks on Brownfield Road has proven to continue to be a safety concern. This ordinance amends the sections to prohibit the parking of semi-trucks completely on Brownfield Road. Other vehicles will still be allowed to park on Brownfield Road with the exception of safety zones.

Background

Discussions regarding semi-truck parking began in September 2022 after several concerns and complaints were presented to the City.

The adoption of Ordinance 1018 enabled the City to trial parking on the West side of Brownfield Road. After eight months, safety concerns have led to the consideration of **Ordinance 10__.**
