Recommendation

Approval of Resolution 2023-28 to Replat Original Town of Douglas, Block 28, Lots 5-10 into Lots 15, 16, 17.

Executive Summary

Update: On August 28, 2023, Council tabled this item with questions regarding the existing structure.

Twin Buttes Ministry Partners has submitted an application to replat Original Town of Douglas, Block 28, Lots 5-10 into Lots 15, 16, 17.

Background

The subject property was originally platted as in 1887 as part of the Original Town of Douglas. In 1888 it was designated as the site of the new school building. The original structure was built over all six lots and the alley. In 1952 the alley between Lots 5,6,7, and Lots 8,9,10 was vacated, along with South 7th Street from Cedar Street to Walnut Street. The current structure, the historic North Grade School was built on the property in 1931. A rezone of the property from R-1 to R-3 was approved in 2020 to accommodate the development of the apartments. The revised plat is intended to allow for creation of two lots to the west of the existing building and to allow development of the created lots.
