HISTORY: The subject property was originally platted as in 1887 as part of the Original Town of Douglas. In 1888 it was designated as the site of the new school building. The original structure was built over all six lots and the alley. In 1952 the alley between Lots 5,6,7, and Lots 8,9,10 was vacated, along with South 7th Street from Cedar Street to Walnut Street. The current structure, the historic North Grade School was built on the property in 1931. A rezone of the property from R-1 to R-3 was approved in 2020 to accommodate the development of the apartments.

2014 DOUGLAS MASTER PLAN: The Douglas Master Plan designates this property’s location as being in the Downtown Neighborhoods Subarea of the Central Business District.

“This area can be considered an extension of Downtown. Its future desired condition combines the preservation of adjacent historic neighborhoods with new medical facilities. Existing buildings should be redeveloped in a manner that complements this emerging medical and downtown residential district. Areas such as the Eastern Wyoming College campus should be developed to meet specific community education, housing, or economic development goals, such as a senior housing village.”

The proposed Rezone is in alignment with the Douglas Master Plan.

FY2023 STRATEGIC DOING: Rezoning for single family developing is not referenced in the FY2023 Strategic Doing as Key Performance Indicator (KPI).

STAFF RECOMMENDATION: Staff recommends approval of the request to Rezone Original Town of Douglas, Block 28, Lots 15 and 16 from R-3 Limited Mixed Residential Zone to R-1 Neighborhood Residential Zone.
