

Memo

To: Mayor, Council Members and Administrator Cox
From: John Harbarger, Public Works Director
Subject: Public Works Department Reports
Date: September 11, 2023

With the new budget year starting we will be looking at designing and advertising for this year's projects soon. We have quite a few projects in this year's budget, and you will see in the coming months those projects in the monthly reports. The below projects are what has been completed and the current projects in design and what will be happening soon.

Fishing platforms – The fishing platforms are currently under design.

Clearfield booster station – The Clearfield booster station replacement is just under design.

Middle School lift station – This project is under design.

Asphalt Preservations are scheduled to start to slurry 89k sq yds of streets at the end of September. We are currently having a contractor replacing any street pans in some of these areas before this project gets started.

We have purchased a used 2021 Chevy Equinox to be used by the planning department for the use of the Building Inspector. We are awaiting the delivery of two pickups from Fremont Motors of Riverton. We have started a search for a new mid-size pickup for use by the Parks Department.

The fuel tanks at the Annex have been removed and filled back in.

H&H Electric will be starting September 11 on replacing the electric service to the building and updating the breaker panel.

Bids for the Sheep Mountain tank lining will be opened on Wed. the 6th of September. There was one bid from AmTech Coatings, LLC for the bid price of \$97,850.00.

Cahoy Drilling is scheduled to start drilling the second well in the Sheep Mountain area in the early part of October.

The start date of the parking lot next to the Depot has been bumped back by one week. The new anticipated start is September 11.
