4. Delivery will be accepted 120 days after notice of award, F.O.B. (Free on Board) Douglas, Wyoming. Tax Exempt Certificate will be furnished by the City of Douglas.
5. A certified check, cashier’s check, or bid bond in the amount of five percent (5%) of the total amount of the bid, including allowances, additive alternates, trade-ins, and concessions, must accompany each bid and must be payable without condition to the Owner as a guarantee that the Bidder will provide specified unit(s). The City of Douglas will allow a 5% preference to Wyoming residents. Bids may be subject to the Wyoming Preference Act. Bidders will supply a Certificate of Residency in compliance with the Wyoming Department of Labor and Statistics.
6. Complete sets of bidding documents must be used in preparing bids; the Owner does not assume any responsibility for errors or misinterpretations resulting from the use of incomplete sets of bidding documents. The Owner, in making copies of bidding documents available on the above terms, do so only for the purpose of obtaining bids on the work and do not confer a license or grant for any other use.
7. The policy of the City of Douglas is to provide and afford equal treatment and service to all citizens and assure equal employment opportunity based on ability and fitness to all persons regardless of race, creed, national origin, sex, physical or mental disabilities or age. This policy shall apply to every aspect of employment practices, employee treatment and public contact. No qualified individual with a disability shall, by reason of such disability, be excluded from participation in or be denied the benefits of the services, programs or activities of the City of Douglas, or be subjected to discrimination. Pursuant to the American's with Disabilities Act, reasonable accommodation for persons with disabilities who wish to participate in these services, programs, or activities shall be made upon request to City of Douglas, ADA Coordinator JD Cox at Douglas City Hall, 101 North 4<sup>th</sup> Street, Douglas, Wyoming.

8. The City of Douglas hereby notifies all bidders that it will affirmatively insure that pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, creed, color, sex, physical or mental disabilities, or national origin in consideration of an award.
9. The bidder shall indicate his compliance with a "Yes" or non-compliance with a "No" in each line item specification. Where submitted literature does not support the meeting of these specifications, the bidder shall outline fully on company letterhead stationary the variation from specification. Any unit not conforming to the specifications will be rejected, and it will be the responsibility of the manufacturer to conform to the requirements, unless deviations have been cited by the bidder and acceptance is based upon the exceptions.

## OVERVIEW

The "Turfcro Edge" started with listening to what frustrates superintendents when it comes to topdressing. We heard they were tired of doing wheel-to-wheel spreads, overlapping spreads, dealing with complicated mechanical adjustments, and wasting time checking in with their crews to verify spread settings.

The WideSpin™ 1550 solves these problems, and more. Calculating and knowing your rates is easier. Adjusting settings is easier. Saving preferred settings is easier. Loading is easier. Topdressing greens, approaches and tees at the same time is easier. And getting the exact spread you want, every time, is easier.

Our unique design makes it easy to get whatever width and rate you want, without having to do mechanical adjustments. You can save your preferred applications into nine programmable presets, changing widths and rates on the fly, increasing productivity, eliminating guesswork and freeing up your time.

WideSpin 1550 topdressers are available in truck-mounted and tow-behind models with engine or hydraulic power options. You can choose between Standard Electronic Control or

## KEY FEATURES

- ✓ Get the exact spread you want as you move from greens to approaches to tees, at the push of a button.
- ✓ Know your application rates, and determine how much material you need to budget – all for the first time ever with our on-board calculator.
- ✓ Reduce the number of passes and decrease traffic on your greens with WideSpin edge-to-edge applications.
- ✓ Drive topdressing down into the turf canopy by adjusting the spinner angle, minimizing the need for brushing and eliminating variations in spread due to moisture content (spreads the same wet or dry).
- ✓ Refill the hopper faster and with less spillage – galvanized hopper has 20% greater capacity and wide opening fits an 80" bucket.
- ✓ Three year warranty

upgrade to our patented digital Smart Controller. Standard Electronic Control models are easy to use and offer good value for the money. Smart Controller models offer rate calculation and programmable presets for greatest productivity and labor savings.

## BEST SPREAD IN THE INDUSTRY

For the first time ever, you can set up and save your applications one time — then get your perfect spread every time. With Turfco's patented technologies, you can reduce greens passes, minimize turf traffic, and get a more consistent spread.

## REDUCED PASSES

Save time and reduce wear on your greens with Turfco's patented WideSpin™ edge-to-edge technology. Decrease the number of passes on your greens by up to 720 times per year\* as compared to the wheel-to-wheel method. Improve productivity and save time; unique 30-foot wide, even spread makes it possible to cover an average-size green in just two passes. Dramatically reduce traffic on your greens, reducing the potential for soil compaction and hydraulic leaks. \*18 greens, 10 times a year.

## Next Generation Control and Display

Having to reset your applications each time you go out is a thing of the past. Now you can **save up to nine different presets** with upgraded smart control and Display. You can preset different applications for greens, tees, and approaches. Customize your rates by season and set different widths while keeping the same

rate. Get more productive, eliminate guesswork, and free up your time with the WideSpin 1550.

- **The Right Spread Every Time** - Get the exact speed you want as you move from greens to approaches to tees, at the push of a button.
- **Know Your Numbers** - On-board calculator lets you know your application rates, calculate the rates you want, input speeds, and determine how much material you need to budget.
- **Get It Done Fast** - Reduce the number of passes and decrease traffic on your greens with WideSpin 1550 edge-to-edge applications.
- **Eliminate Extra Work** - Drive topdressing down into the turf canopy by adjusting the spinner angle, minimizing the need for brushing and eliminating variations in moisture content (wet or dry).
- **Bright Display** - Bright visuals for a clear and vibrant display even in full sun.
