---

With the new budget year starting we will be looking at designing and advertising for this year's projects soon. We have quite a few projects in this year's budget, and you will see in the coming months those projects in the monthly reports. The below projects are what has been completed and the current projects in design and what will be happening soon.

Clearfield booster is 65% design.

Middle School lift station – This project will be at 90% design in the next two weeks.

Adams St. Project – The water has been installed in the first block. They will be starting on the middle block the week of July 9<sup>th</sup>.

Landfill Rd. – This project has been awarded to Wayne Coleman construction. We will have a preconstruction meeting on the 9<sup>th</sup>. The contractor will provide a schedule at that meeting.

N. 4<sup>th</sup> St. reconstruction is in design.

The Salt/Sand building – The contractor has the concrete wall poured and will be working on the metal portion of the building.

Birch St. sewer project – This project is complete.

2<sup>nd</sup> and 3<sup>rd</sup> St sewer replacement project – This project was awarded to Ramshorn Construction; They have started installing sewer pipe on Elm between 2<sup>nd</sup> and 3<sup>rd</sup> St.

Washington Park Belmont Stakes Shelter is complete.

City Hall- The City Hall façade and landscaping project is scheduled for a pre-bid meeting on July 2<sup>nd</sup> with the bid openings on July 9<sup>th</sup>.

Community Center – The community design team is meeting weekly as of now. Once it is decided that all wants and needs are discussed we will change to bi-monthly meetings.
