Laramie Peak Motors of Wheatland: \$71,800.00
Greiner Ford of Casper: \$70,377.00

Fremont of Casper did not meet specifications, all others did meet specifications

Background

The existing Unit #6 is a 2001 Ford F250 that is showing its age from years of use in the field. The engine is using oil as well as the tools/equipment we carry is overloading the truck. A new heavier duty service truck will serve the needs of the City of Douglas as well as making sure we can haul necessary tools and or fuel for roadside repairs if necessary.
